

from this world too soon due to a tragic accident. Jeff is the late husband of Kim, who is the director of constituent services for my congressional office, and also my friend and neighbor. Jeff loved his family and was a proud father to Katherine Chelsey and Laura-Leigh. He will leave a lasting positive impact on the community and patients he served through his pharmacies.

I appreciate the work and dedication of first responders with the Warren County Sheriffs Office, Richardsville Volunteer Fire Department, and Warren County Emergency Management Office in recovering Jeff, who I miss dearly. I am thankful for these responders, who uphold their duty every day to ensure our community is a safe place to live and work.

HONORING CHESTER HENDERSON

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable hero, Mr. Chester Henderson.

Mr. Henderson was born on May 26, 1918 in Webb, Mississippi. After the passing of his father, he had to quit school in the fourth grade in order to help his mother support their family.

At an early age, Mr. Henderson worked for Mississippi Valley Gas Company and then at Mississippi Power and Light Company (currently known as Entergy) before being drafted into the United States Army, during World War II. Under General George Patton, he served in Northern Africa, Italy, and Germany as a truck driver during the famous Redhull Express Operations, consisting of predominately African American drivers that delivered over 6,000 gallons of fuel 24 hours a day, with routes in excess of 400 miles in each direction.

After a short courtship, he married the love of his life, Victoria Anderson, on New Year's Eve 1944. Together they built a home in Cleveland, Mississippi, on Church Street, and became the proud parents of six children. They spent 42 years of marriage together, until the passing of Mrs. Henderson in 1987.

After serving honorably, he was discharged in 1945. He was able to return to his job at Mississippi Power and Light Company, where he worked from 1946 until he retired in 1983. When not working, he loved gardening and growing vegetables, which he and his wife would can, freeze, and share with many—friends, neighbors, co-workers, and church family. He would also help his neighbors out in their gardens and by manicuring their yards.

St. Peter's Rock Missionary Baptist Church is where Mr. Henderson gave his life to Jesus Christ, and was baptized in August of 1946 in a sandpit in Boyle, Mississippi, by the late Rev. L. L. Laws. He has served as a deacon, an usher and a choir member. His love for St. Peter's Rock and the current pastor, Rev. Terrence Rash, has led many of his grandchildren to accept Jesus Christ at this church. Mr. Henderson's dedication has blessed him with the title of "Oldest Member" since 2017, and it has shown him as an upstanding pillar in his family and community.

Mr. Henderson was born when Woodrow Wilson was President of the United States of

America and Theodore G. Bilbo was Governor of the State of Mississippi. His life has spanned the administration of 19 United States Presidents, from Woodrow Wilson to Joe Biden; and 26 Mississippi Governors, from Theodore G. Bilbo to Tate Reeves. This family icon has witnessed many historic events during his lifetime, including the Great Depression, World War II, and man's walk on the moon. He is truly blessed.

Madam Speaker, I ask my colleagues to join me in recognizing Mr. Chester Henderson for his dedication to serving his family, community and this nation.

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Mr. BURGESS. Madam Speaker, I rise today to honor the exemplary life of Fred Rogers, the outgoing commander of American Legion Peter J. Courcy Post 178 in Frisco, Texas. Mr. Rogers has conducted his life with distinguished service to his community and nation, through his service in the U.S. Armed Forces and his subsequent volunteer efforts.

Mr. Rogers served honorably as an Air Policeman in the U.S. Air Force from 1960 to 1964. After retiring from his decades-long civilian career as a Vice President of Sales & Marketing, Mr. Rogers joined the American Legion in 2008. Mr. Rogers' leadership roles at multiple North Texas posts in The Colony, McKinney, and Frisco led to him receiving numerous post, district, division, department, and national awards.

Mr. Rogers is a founding post member and has served as the Commander of Post 178 for the past seven years. His tireless efforts to bolster the new post's community involvement and promote its membership led to Post 178 earning the Texas Post Excellence Award for four consecutive years from 2016 through 2019. The post also earned the National Post Excellence Award for three consecutive years from 2016 through 2018. Despite the post's recent founding, it is one of the most recognized and fastest growing in the state of Texas. GORDON BEESLEY

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and honor Arvada Police Officer Gordon Beesley, who was killed in the line of duty on June 21, 2021.

On June 21, 2021, Officer Beesley was responding to a report of suspicious activity in Olde Town Arvada, Colo. when he was ambushed and shot by a man who had immense hatred toward police.

Officer Beesley joined the Arvada Police Department in 2002 and served in a number of roles for the Department. He spent most of the year working as a school resource officer at local schools in our community, including Oberon Middle School, Lincoln Academy and Excel Academy Charter School. During the summers, he often returned to patrol work.

Officer Beesley was a well-known and well-liked member of our community. His calm, gentle and patient demeanor made a big difference in his day-to-day interactions with students, especially those students who needed it most. In 2015, he was named Employee of the Year by the City of Arvada after the city learned Officer Beesley was riding his bike to school multiple times a week with a student who suffered from developmental delays and was not able to ride by himself. Countless other stories have surfaced from students, his colleagues and community members in the days following his death about the impact he had on their lives, big and small.

Officer Beesley is the first member of the Arvada Police Department to be killed by gunfire in the line of duty and the second police officer killed in the line of duty in Colorado in 2021.

I want to extend my deepest and heartfelt condolences to Officer Beesley's family, the Arvada Police Department and the entire Arvada community for this tragic incident and the loss of Officer Beesley. We will remember Officer Gordon Beesley for his kindness and bravery, and are forever indebted to him and his family for his service and sacrifice for our community.

IN RECOGNITION OF THE 50TH ANNIVERSARY OF THE PROTEIN DATA BANK IN THE UNITED STATES

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Mr. PALLONE. Madam Speaker, I rise today in recognition of the 50th anniversary of the Protein Data Bank (PDB) in the United States and its outsized impact on the scientific community. Established at Brookhaven National Laboratory in 1971, the PDB was created because researchers were unable to share the valuable information they collected due to the lack of advanced computer systems at that time. The PDB solved this problem by serving as a depository for three-dimensional structures of large, biological molecules—such as proteins, DNA, and RNA—and offered the data free of charge or restrictions on usage to individual researchers across the world. Since 1998, I am proud to say the PDB has been co-managed by Rutgers, The State University of New Jersey. Today, the PDB archive in America hosts more than 180,000 structures of molecules found in all living organisms on the planet and is part of a worldwide network with other data centers in Europe and Asia.

The PDB's legacy as the first open-access digital data resource in biology and medicine has led to countless breakthroughs and has democratized access to data in a way that has tremendously benefited the public. Each year, millions of researchers, scientists, educators, students, medical professionals, patients, patient advocates as well as pharmaceutical and biotechnology companies around the world utilize the PDB for basic and applied research, STEM education, and the discovery of life-saving medicines, particularly anti-viral and anti-cancer drugs. Examples of its profound impact include the more than two million structure data file downloads it generates per day; its contribution to over one million published research papers; and its enabling of research in many subject areas, ranging from Agriculture to Zoology.

But this ambitious project would not have been possible without significant federal in-

vestment in scientific research. The National Science Foundation, the Department of Energy, and the National Institutes of Health all contribute funding to the PDB, which generates a return on investment 1,500 times more than federal dollars it receives. This kind of investment clearly demonstrates the importance of the government-university research partnership and why it is critical that we maintain and strengthen that partnership to bolster American innovation and competitiveness for years to come.

In conclusion, Madam Speaker, I offer my congratulations to the PDB in the United States as it celebrates its first 50 years as a leading global resource for experimental data central to scientific discovery, and I look forward to its contributions to science and our society over the next 50 years.

RECOGNIZING BARBARA TETREAULT'S SERVICE TO NEW HAMPSHIRE

HON. ANN M. KUSTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Ms. KUSTER. Madam Speaker, I rise today to honor Barbara Tetreault, long-time Editor of the Berlin Daily Sun newspaper, on her well-deserved retirement. Barbara has been with the paper since 1993 and the Editor since 2013. Her departure will be an end of an era.

The city of Berlin and the paper have both struggled over the years, yet Barbara's constant, dedicated, professional reporting has always presented the news in a candid and transparent manner to the people of Berlin. With New Hampshire's First in the Nation primary status, Barbara was there to ask the hard questions of candidates in the earliest days of their campaigns. Barbara's questions, often repeated across the state and country during the campaign, would help define the credibility and integrity of many candidates.

As Barbara steps back from the headline to a slower pace, The Berlin Daily Sun will take on a new Editor who will put their stamp on the masthead. We know we will, occasionally, still see Barbara's name at the end of a column in the paper.

It is with great pleasure that I recognize and give honor to this wonderful woman who kept her community informed about the news of Berlin and the North Country.

COST ESTIMATE FOR H.R. 3243, THE PIPELINE SECURITY ACT

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, July 19, 2021

Mr. THOMPSON of Mississippi. Madam Speaker, I include in the RECORD the cost estimate prepared by the Congressional Budget Office for H.R. 3243, the Pipeline Security Act. The cost estimate was not available at the time of the Committee report filing.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 10, 2021.

Hon. BENNIE G. THOMPSON,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3243, the Pipeline Security Act.

If you wish further details on this estimate, we will be pleased to provide them. The CEO staff contact is Aaron Krupkin.

Sincerely,

PHILLIP L. SWAGEL,
Director.

Enclosure.

H.R. 3243, PIPELINE SECURITY ACT—MAY 18, 2021

	By fiscal year, millions of dollars—		
	2021	2021–2026	2021–2031
Direct Spending (Outlays)	0	0	0
Revenues	0	0	0
Increase or Decrease (–) in the Deficit	0	0	0
Spending Subject to Appropriation (Outlays)	*	2	**

* = between zero and \$500,000.

** = not estimated.

Statutory pay-as-you-go procedures apply? No.

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2032? No.

Mandate Effects:

Contains intergovernmental mandate? No.

Contains private-sector mandate? No.

H.R. 3243 would codify the role of the Transportation Security Administration (TSA) as the administrator of the Department of Homeland Security's program to protect pipelines from terrorists and cybersecurity threats. The bill would require TSA to create a new executive position, develop a personnel strategy to improve the effectiveness of the pipeline security program, and report on its progress annually. Finally, H.R. 3243 would require the Government Accountability Office (GAO) to review the bill's implementation within two years of enactment.

Many of the bill's requirements are consistent with activities being conducted under current law and would not significantly affect the agency's costs. Using information from TSA, CBO estimates that implementing other provisions of the bill would cost \$2 million over the 2021–2026 period. About half of that amount would stem from required personnel changes at review. Any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Aaron Krupkin. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
